

~~CONFIDENTIAL~~

28 APR 1964

MEMORANDUM FOR: Chief, Medical Staff

SUBJECT: Traveling Medical Officers

25X1A

1. At the 20-21 April 1964 Support Chiefs' Conference in [REDACTED] the Support Chiefs asked that they be given prior notification when an Agency Medical Officer was transiting their country in order to permit the Station to request a stopover when the situation would warrant it.

25X1A

25X1A

2. The case in point was a recent transiting of [REDACTED] by an Agency Medical Officer, which became known to the [REDACTED] Station after the Doctor had departed [REDACTED]. The Chief of Support, [REDACTED], stated that had they known that the Doctor was in the area, they would have referred a case to him but that the case was not one which would justify a special trip for a Doctor.

3. The above is passed along for your information. I will mention it to the DD/P Staff and Division Chiefs of Support at our 29 April 1964 meeting.
